ENEMY RESISTANCE IN CASSINO STIFFENS

Reinforced Nazis Regain Hill From Fifth Army Troops

On Southwest Fringe of Italian Bastion Allied Infantry Continues to Attack Germans Holed Up In Ruins Around Hotel

FLYING FORTRESSES ATTACK AUSTRIAN TOWNS

BULLETIN
By LYNN HEINZERLING
With the Fifth Army at Cassino, March 20—(P)—German troops raised the white flag over the Continental Hotel, which they had turned into one of the chief centers of resistance in Cassino, but they still clung desperately to the southwest corner of the town today and to the important Hill No. 165, above. Not only were they fighting for every inch, but they appeared to have ample reserves to reinforce and steady their precarious position through well-covered draws and tunnels in the hills behind the town.

By RICHARD G. MASSOCK
Allied Headquarters, Naples, March 20—(P)—The Germans have succeeded in reinforcing their remaining strong points in Cassino and have regained a hill to the west from Fifth Army troops in heavy fighting, Allied headquarters announced today.

On the town's southwestern fringe Allied infantry and armor continued to attack enemy forces holed-up in ruins in and around the Continental Hotel.

About 100 German prisoners were reported taken in the battle for the wreckage of the hotel, in whose ruins the Germans had installed

REICH LOSSES MOUNTING IN AIR OFFENSIVE

American Bombers Carry Forward Against Hitler's Continental Fortress Today

ATTACK FLEET IS SMALL

By AUSTIN BEALMER
London, March 20—(P)—American bombers, carrying forward the non-stop Allied aerial offensive against Adolf Hitler's continental fortress already battered by 20,000 tons of bombs in six days, struck Germany today.

The attacking fleet, described locally as of medium size—probably 250 to 300 bombers—dumped American bombs on the Reich homeland for the fourth time in the six-day, two-way offensive.

The British kept the stream of two-way attacks going last night. From Italy night-flying RAF heavy and medium bombers hit the German-held shipbuilding base at Taranto, northwest of the Italian Adriatic port of Trieste, while British Mosquitos blasted objectives in central and western Germany without loss.

These raids followed up five (Turn to Page Seven)

Suit Against Local Firm Is Resumed

New York, March 20—(P)—George M. Spindler was called back to the witness stand today in trial his \$1,211,679 federal court suit against the National Forge and Machine Company of Warren.

Spindler, now president of Montgomery Ordnance Company, contends National Forge owes him \$1,679,721 in commissions on sale of munitions to the Netherlands in 1940, when he was the Warren company's general export agent.

Only witness to testify since a trial opened March 10, Spindler also seeks \$850,000 damages on grounds that he was illegally disbarred by National Forge. His attorney, Victor House, said officials told Spindler the reason for the dismissal was that they wished to avoid paying commissions.

Strike May Tie Up Greyhound System

Pittsburgh, March 20—(P)—Fear that the three-day-old Pittsburgh district bus strike would spread to the entire Pennsylvania Greyhound Lines system was expressed today by Harold Blum, secretary of the Pennsylvania Joint Council of the AFL-Amalgamated Association of Street and Electric Railway and Motor Coach Employees.

Blum said presidents of 14 union divisions had been called to hold a joint session here today. The strike originated when 400 Greyhound drivers, maintenance men and terminal employees living in and about Pittsburgh walked out in protest against the discharge of two drivers.

Service Vote Issue In Doubt As Governors Study Measure

Washington, March 20—(P)—Forty-two governors have replied to President Roosevelt's query about service voting and the trend of their opinion appears to be that state ballots distributed under the federal machinery would give a vote to most service men and women.

Virtually all the governors emphasized that their states want the fighting forces to vote. Many expressed the belief that state ballot provisions are adequate if the government will undertake to get those ballots overseas.

Mr. Roosevelt had inquired whether the states would accept federal ballots from the armed forces. Six governors replied affirmatively. The governors of 13 states said

BUS PLUNGES FROM BRIDGE INTO PASSAIC

Death Toll in Early Morning Tragedy in Jersey Estimated From Eight To Thirty

BUT SEVEN ARE RESCUED

Passaic, N. J., March 20—(P)—A bus plunged from a bridge into the Passaic river channel today with a death toll variously estimated from eight to 30 persons.

Only seven persons had been rescued hours later and one of these died in a hospital. The bodies of two women were recovered, making a known death toll of three.

Stanley Raymond, 35, told from his hospital bed of swimming among corpses inside the bus and finally making his way out the emergency rear door, which had flown open as the bus crashed through the bridge railing and dropped 15 feet into the icy stream.

Virtually every seat was occupied and there were a few standees, Raymond said. Other survivors estimated the death toll from eight to 30 as the authorities awaited the arrival of a derrick barge to lift the heavy vehicle from the water, 18 feet deep.

Apparently all of those who escaped either swam or were washed out the emergency door.

Employees of a riverside factory making life rafts for the war tossed rafts and lumber out windows and into the stream to facilitate rescue work, while several of their number plunged into the water, where some of them soon required assistance because of the extreme cold.

Port of New York authorities started a derrick barge to the (Turn to Page Seven)

Vichy Official Is Executed By A Firing Squad

Algiers, March 20—(P)—Pierre Pucheu, former Vichy interior minister, was executed today on treason charges of which he was convicted a week ago Saturday by a special French military court.

Pucheu died before a firing squad in a nearby military station, an announcement said.

The court two days ago had turned down the condemned man's appeal from the death sentence, which was imposed upon him as an exponent of collaboration with the Germans in his capacity of interior minister.

During the trial, Gen. Henri Giraud, commander-in-chief of the French armed forces, came to Pucheu's aid, taking the stand as a defense witness and urging that the case be postponed until France is liberated.

GUILTY OF MURDER
Unlabeled, March 20—(P)—Herbert Schomer, 39-year-old Connellsville plumber, today faced a prison sentence after his conviction of second degree murder in the stabbing death of Mrs. Elizabeth Brown Dunnigan, 22, his housekeeper, last Jan. 4. A jury of nine women and three men returned the verdict Saturday with a recommendation of mercy.

Pittsburgh, March 20—(P)—The Pennsylvania supreme court held today there was no evidence of fraud in the sale of the Chester Water Service Company to the Chester municipal authority.

The court also ruled that former State Senator John J. McClure and his associate, William C. Purdy, need not repay \$250,000 alleged excess profit on the sale.

McClure and Purdy thus won a reversal of a decision by Judge Samuel E. Shull ordering them to return the money to the authority. McClure and other defendants have been tried and acquitted of charges in connection with the \$1,000,000 sale of the water company.

Japs Striking Back in Major Drive on India

Campaign Apparently Directed Against Capital Of Manipur

4,000 DIE IN HUKAWNG

By PRESTON GROVER
New Delhi, March 20—(P)—The biggest battle fought in Burma since the Allies were driven out two years ago apparently was developing along the Chin hills frontier of India today where Japanese have crossed the Chindwin river in force at several points.

Stung by the loss of the Hukawng valley and 4,000 casualties in Lt. Gen. Joseph W. Stilwell's victorious four-month north Burma campaign, the Japanese obviously were attempting to break through the jungle and reach the supply line which feeds not only Stilwell's forces but also those of Maj. Gen. Claire L. Chennault in China.

The Japanese were advancing in two directions, northward along the west side of the Chindwin toward the British base of Imphal, and westward from a point farther north between Homalin and Timanlin.

An Allied headquarters communique said today that American and Chinese forces mopping up in the Hukawng valley had outflanked a Japanese unit east of Jambu Buni, on the Mogaung valley border forcing enemy forces to resume their southward retreat.

Today's communique, reporting Allied successes on other Burma fronts, said west African troops counterattacking in the Kaladiri valley had thrown Japanese forces from a previously-occupied position and that new Allied gains had been scored in the Mayu range sector of the Arakan front.

Decision Reversed In Chester Case

Pittsburgh, March 20—(P)—The Pennsylvania supreme court held today there was no evidence of fraud in the sale of the Chester Water Service Company to the Chester municipal authority.

The court also ruled that former State Senator John J. McClure and his associate, William C. Purdy, need not repay \$250,000 alleged excess profit on the sale.

McClure and Purdy thus won a reversal of a decision by Judge Samuel E. Shull ordering them to return the money to the authority. McClure and other defendants have been tried and acquitted of charges in connection with the \$1,000,000 sale of the water company.

CATHOLIC WEEKLY IS 100

Conquest of Admiralties Completed Russians Pouring into Bessarabia

TWO AIRFIELDS AND PORT ON ISLAND TAKEN

Vanquished Enemy Troops Now Facing Starvation Or Ultimate Destruction by Americans

BLOCKADE TIGHTENING

By RICHARD C. BERGHOLZ
Associated Press War Editor
Twenty-one days after it started, the conquest of the Admiralty islands is over and the Allies now hold two new airbases and a massive harbor less than 800 miles from Japan's key Pacific base at Truk and 1300 miles from the Philippine islands.

Gen. Douglas MacArthur said in a communique today the enemy has been driven from Lorengau, main Japanese base in the Admiralties, and there is "nothing left that is worth defending," a headquarters spokesman added.

Since dismounted cavalry units started the invasion Feb. 29, Momote airbase on Los Negros island was captured, big Seader harbor, possibly capable of containing the entire U. S. battle fleet, was secured and finally Lorengau airbase and township were won.

Vanquished enemy troops remain in the Admiralties but face starvation, or ultimate destruction by the Americans who hold all the strategically valuable positions and can cut off most Japanese escape attempts.

Call of the Admiralties puts additional terror in the hearts of Japanese defenders of New Guinea, main Japanese air and supply base in northern New Guinea. Allied planes based in the Admiralties can put an additional clamp on the blockade of New Guinea.

On the opposite end of Japan's Pacific defense line, Paramushiro in the northern Kurile islands was bombed for the third consecutive day. Other Pacific planes pounded Ponape and Kusaie in the eastern Caroline islands and three designated atolls in the eastern Marshalls.

Private Ceremony For Royal Couple

By LEWIS HAWKINS
London, March 20—(P)—Twenty-year-old King Peter of Yugoslavia and pretty Princess Alexandra of Greece, 23, were married at 4 p. m. today in the Yugoslav legation in a private ceremony before a small number of guests.

The princess, daughter of the late King Alexander of Greece, had arrived at 2 p. m. (9 a. m. eastern war time) in a new limousine and darted into the doorway, displaying a flash of silken hose beneath a mink coat.

American soldiers peered at the legation from windows across the street. One attendant rolled a red carpet across the sidewalk, while another hoisted the flag of Peter's troubled land.

King Peter arrived at the legation 20 minutes after his bride. He wore the light blue uniform of the Yugoslav air force.

King George VI of Britain, who is godfather to King Peter, witnessed the marriage declaration.

Jury Chosen to Try Janice In Mercer Case

Motion of Counsel to Quash Indictment Against Girl Quashed

LETTERS INTERCEPTED

Mercer, March 20—(P)—A jury of six men and six women was chosen today to try 20-year-old blonde Janice Graham, farm girl, on a charge of being an accessory after the fact of murder in the triple slayings last Oct. 7 on the dairy farm of Everett Wilson.

Defense counsel moved to quash the indictment but Judge George H. Rowley overruled the motion. Taking of testimony started early in the afternoon.

District Attorney Edwin C. Moon said that among state witnesses would be two women who were cell-mates of the farm girl and that they would be asked to explain a letter which they allegedly received from Miss Graham asking they forget conversations they had with her concerning the slayings.

Moon said the letter was intercepted by jail attaches after the girl was released last December a few days before William A. Morrell was tried and freed in the shotgun-slays of Mrs. Katherine Wilson, 78, and Robert McKay, 70, and convicted of voluntary manslaughter in the strangling of Mrs. Helen Wilson, 48.

Moon is not appearing as Commonwealth attorney in the case. The prosecution is being conducted (Turn to Page Seven)

Ramage Asks For A Re-Examination

Harrisburg, March 20—(P)—Governor Martin will have the first change in his cabinet since he was inaugurated in January, 1943 if Samuel Y. Ramage, of Oil City, secretary of public assistance, gets into the army.

Ramage, 34, disclosed he was rejected by Army Physicians but has asked for a re-examination and expects a decision within a week.

Employees of Highway Department Have Busy Night Keeping Roads Open

GOING TO GET WARMER

To the crunch of snow plows on the highways, the jangle of cindering trucks and the clang of snow shovels, spring arrived today at 1:45 p. m. There was no burst of spring music from the opening buds of blossoms on the fruit trees. Instead, on every hand arose the chant of small boys, "Shovel your walk, mister!" while sneezes grew all around and the folks looked in vain for tissues whereon to blot the sneezes.

Employees of the highway department were busy throughout the night with snow plows in an effort to keep the roads open so that drivers might go to and from their work in safety. The snow was not of the wet, heavy variety and was taken off the highways with comparative ease. In some places it had drifted badly in the wind, but in the main the plows took off the snow in a satisfactory manner. It is estimated that between five and six inches fell.

About town sidewalks were covered and it was not until almost noon that the majority of the walks were cleared, making progress about the city comfortable. Numbers of walks had not been touched and a path had been worn through the deep snow.

City employees were out early battling the snow shovel, shoveling off the cross walks, cleaning out gutters and hauling away the accumulation of snow.

The weather report promises that a sleet storm is due this afternoon or evening and that a freezing rain will coat everything with ice and continued cold will follow tonight, but that Tuesday will be cloudy and warmer.

Sunday was a chilly day, with the mercury registering eight degrees (Turn to Page Two)

Lava from Vesuvius Approaches Town

Naples, March 20—(P)—Three streams of smoking molten lava crept slowly down the sides of Mt. Vesuvius last night after the famous volcano had erupted yesterday in its most violent display of activity in 34 years.

The lava wiped out 100 feet of the scenic railway winding around the mountain and the stream on the southern slope was reported within two miles of the village of Boscoreale.

Some consideration was being given to the possibility of evacuating the villagers.

Disappearance of Pleasant Township Man Causes Alarm

Chris Nelson, 71, Pleasant township RD 1, employed as a night watchman at the plant of the Warren Mirror Works is the object of a search by police and friends as he has been missing since Saturday night. It was his custom to walk to work at the Mirror Works and he usually crossed the Pennsylvania railroad bridge leading to the flat district of the East Side. He was last seen about 6 o'clock Saturday evening on his way to work and has not been seen since.

Police and friends fear that on his way across the bridge in the driving snow he may have fallen into the river or that he may have been hit by a train and thrown into the river. Examination of the bridge however shows no signs of an accident on the structure as no blood or shreds of clothing can be found.

The man had a crippled right hand due to an injury received a number of years ago. He walked with a flat footed gait rather shuffling in manner. He weighed 175 pounds and had grey hair, blue eyes. He wore grey trousers, green and grey checked jacket, a red hunting cap and heavy work shoes.

German High Command Announces Evacuation Of Outflanked Rail City of Vinnitsa

BRIDGES LEFT INTACT

BULLETIN
London, March 20—(P)—The Red army has captured Mogilev Podolski on the Dniester, Marshal Stalin announced tonight.

By E. B. SULLIVAN
London, March 20—(AP)—Russian troops vaulting the Dniester river on a 31-mile front struck into Bessarabia, part of pre-war Rumania, today.

To the north the German high command announced evacuation of the outflanked defense bastion of Vinnitsa. Zhmerinka to the southwest of Vinnitsa already had fallen. The German withdrawal widened the Red army breakthrough on the middle Bug river sector, chopping off part of the Nazi line east of Proskurov.

The German communique said Vinnitsa, where the invaders had waged a stubborn defense for weeks, was evacuated according to plan after destruction of war installations—the usual German phraseology.

The Red army plunge into Bessarabia posed a new threat to the Germans, as well as to the satellite government of Rumania.

Ford Predicts End of War in Two Months

Atlanta, March 20—(P)—Predictions that the war will be over in two months and that railroads may be abandoned were made here yesterday by Henry Ford, who added that "laziness and idleness are the cause of all the world's troubles."

The motor magnate, in a copyrighted interview in the Atlanta Constitution, asked what he thought was the greatest post-war problem, replied:

"Go to work. That's the answer to everything. Laziness and idleness are the cause of all the world's troubles. x x x By idleness I mean idle land as well as idle people. There are millions of idle acres in the world. The way I see it, greeds, creeds and boundary lines must go x x x."

Sgt. Farr, Of Sheffield, On Missing List

S/Sgt. John T. Farr is reported missing in action over Germany since March 2, according to a dispatch from the War Department to his parents, Mr. and Mrs. James Farr, 103 Oak street, Sheffield. He was a member of a crew of a B-17 as an aerial engineer bomber.

Sgt. Farr was inducted into the army August 30, 1942, and left for New Cumberland Sept. 12. He received his basic training at Miami Beach, Fla., and attended Technical School at Amarillo, Texas, from where he was transferred to Boeing Aircraft School at Seattle, Washington. He was then given further training at the Gunners School at Las Vegas, Nevada, and at the Air Corps, Texas.

Sgt. Farr completed his training at Dyersburg, Tennessee, and was assigned as a member of the crew of a B-17. He received his wings at Las Vegas, Nevada, and flew from Grand Island, Nebraska to England October 15, 1943. For meritorious conduct in combat Farr was awarded the Air Medal with two Oak Leaf Clusters some months ago.

Graduating from Warren High School in 1938 he entered the service of the O'Connor Machine Shop, Sheffield.

He is a nephew of the Misses Corbin, 708 Madison avenue, where he made his home while attending high school in Warren. Relatives and friends are hopeful of receiving more encouraging news soon.

Erie Boy, Well Known Here, Lost in Action

Many in Warren and vicinity will regret to learn that Wesley McDannel, first engineer on a fortress, is reported missing in action in a raid over Stuttgart, Germany. He is a son of Mr. and Mrs. Ralph McDannel, Erie.

The young man made many close friends here while on visits to his uncle Perry A. McDannel, Pleasant township.

Clowns are working out new gags, the elephants and other animals are rehearsing new stunts of astounding superciliousness; aerialists, like Victoria, Rieta and Frank at upper right, swing through the air with the greatest of ease; the Karrel troupe work out their high-ladder balancing and trapeze artists learn new twists, as is Juanita Deisler, shown with Roy Deisler, lower right.

St. Patrick's Is Theme For Party

The second YWCA "at home," held on Friday afternoon in the activities building, had an attendance of 55 persons. The theme for the day was "Bring Your Neighbor" and those present had an opportunity to become better acquainted with those folks who are newcomers to the community.

Mrs. Harriett Wilkins presented a musical feature for St. Patrick's Day and the assembly participated in some group singing.

Mrs. Robert Young announced plans for the annual Lenten tea to be held next Saturday afternoon, this affair being held each year at this time and funds always going to the YW's World Service Fund.

Tea on Friday was served in the private dining room, with a very attractive St. Patrick's table provided by Mrs. Jesse Smith and presided over by Mrs. Norbert Peterson and Mrs. James Miller.

The next "at home" is scheduled for Friday, April 21. To all friends who so graciously assisted with cars and for kind remembrances and sympathy expressed at the time of the death of our wife and mother, Mrs. Pauline Demel, we extend our deepest gratitude.

DETAIL FOR TODAY

PIN-UP GIRLS are an institution in the Army. In many places the actual pinning up of pictures is forbidden and the outcome is alarming; morale sinks to a new low, frustration is rampant, and the sale of magazines at the post exchange falls off. Where PIN-UP GIRLS are tolerated (they are never encouraged) the morale rises up to a new peak. The barracks walls look like a theatrical agent's office and inspection officers find it hard to inspect the right objects. A PIN-UP GIRL must have that certain undeniable something called comph, a languorous expression and as few clothes as possible. This makes her a member in good standing.

Old Man Winter, shunted aside in favor of spring a day early this year, let loose with pent-up wrath today, giving the nation something to remember him by—snow, rain and sub-freezing temperatures—which claimed at least seven lives throughout the country.

The old fellow's swan song echoed with fury from New England—where snow fell at the rate of an inch an hour—to the deep south, where a biting north wind buffeted the Texas Panhandle.

The middle west battled drifting snow and treacherous sleet, while snowplows bucked a blizzard in Utah.

Sample U. S. Field Rations Shown in Display in Bank

Seldom seen by civilians, United States Army Field Ration K (the emergency rations carried by our fighting men in battle) is now being exhibited in a Liberty street window of the Warren National Bank. Three ration K units, breakfast, dinner and supper, comprise the center piece of the exhibit designed to show one of the many essential things purchased by war bonds. "Bonds Feed Fighting Americans" is the theme of this exhibit, which dramatically emphasizes the fact that each purchase of war bonds not only provides our fighting men with weapons and ammunition, but with fuel as well. The Douglas-Guardian Warehouse Corporation, a national field warehousing organization, is the sponsor of this exhibit. 29 similar exhibits are now traveling to banks throughout the United States under the same sponsorship.

H. S. Carnival Successful In Every Way

The seventh annual Warren High School carnival proved to be just as successful as the ones in past years, with 1362 student and adult admissions sold. Ticket sale prizes were won by Bill Clinger, Yvonne Miller and James Richards, selling 32, 30 and 22 tickets respectively.

Both performances of shows staged by Anna Kahl and Harry Summers were well attended. The spectators were provided with many laughs. In the gym show, the audience saw the athletic ability of many students. People thronged to the midway and side shows from seven to ten-thirty.

War bonds of \$25.00 denomination were awarded to Emma Lou Plummer, 107 Jackson street, and Agnes Porter, RD 2. The electric clock was awarded to Joanne Retterer, of North Warren.

At 10 o'clock, a large crowd enjoyed the dance in the big gym, with "Mac" McCarthy's orchestra playing from 10:30 to 12, as a conclusion to the evening's entertainment.

WASHINGTON UNIT
There were 120 members and friends in attendance at the March meeting of the Washington PTA at Tiona. During the business session conducted by the president, Mrs. Brennan, arrangements were made for transportation of pupils to the final Clare Tree Major play in Warren and announcement was made that the unit will sponsor a series of games at the school on March 24.

E. D. Champion gave a very good report on the year's Scouting activities, for which the unit is sponsor, and it was voted to continue the support in the coming year. Two additional committee members were appointed in the persons of George Champion and Barney Hughes. Mrs. Frick reported five dollar subscriptions to the Parent-Teacher magazine. The president announced that this unit was one of three in the county to be credited on the Gold Leaf Honor Roll. The attendance award was won by Miss Crick's room. It was announced the next executive meeting and group study would be with Mr. and Mrs. Hand on April 5.

Entertainment was furnished by pupils of the school, who presented a delightful program of dramatizations, plays, readings and songs. Each number showed careful preparation and was thoroughly enjoyed by the large audience. At the close, refreshments were served by a group of mothers and friends from Miss Crick's room under the able supervision of Mrs. A. M. Huckabee.

\$27.20 received from the supper, bills were ordered paid and a balance of \$39.04 shown. Mrs. Hedges congratulated the membership committee on its showing this year. Principal Orner reported ordering of the movie machine and it was voted to add \$10 to the movie fund. A collection of \$11 was taken for the Red Cross.

Mrs. Hedges presented Ned Lauffer, of Warren, who explained the Cub Scout program. This was added to by Carl Warner, of Russell, who praised the work carried on by Emerson Spicer, Lander Scoutmaster. It was voted to sponsor a Cub, Boy Scout and Girl Scout program and Mr. Spicer spoke briefly. Rev. William Fuller, Orner Skinner, Mr. Spicer, Mr. Orner, Albert Firth, George Rapp and Sigfried Anderson were appointed as an attendance committee and Mrs. Anna Nelson was placed in charge of the Girl Scout program.

Miss Daris Bracey announced an evening of plays by the sophomore class on March 17 and the penny collection of \$1.31 was awarded Mrs. Marie Smith's room. For the program, Chester Anderson played a violin solo with Miss Bracey at the piano, and William Hill, Sr., entertained with a magic show. To conclude refreshments were served by Mrs. Marion Skinner, Mrs. Rose Falcione, Mrs. Cecil Cowles and Mrs. Fern Hinsdale.

SENECA UNIT
There was a large attendance for the March business and social meeting of the Seneca PTA, when Mrs. Kathryn Koebly presented a program that included several accordion solos by Marian Hollister; three soprano solos by Mrs. Mary Loree with Miss Hollister accompanying her with the accordion; two entertaining readings by Gloria Hausman; talk on interior decorating and furnishings by Mrs. Thelma Prendergast. To conclude, refreshments were served by Mrs. Florence Stevens, Mrs. Ned Johnson, Mrs. Morrell, Mrs. Wilcox and Mrs. Nelson.

BLAIR CO. MAN PAYS THE SUPREME PENALTY
Belleville, March 20—(P)—Michael Musto paid the supreme penalty today for the murder of his estranged wife, Mary, 26, on the steps of the Blair county courthouse at Hollidaysburg last April 6.

His eyes closed from the moment he entered the Rockview State Penitentiary death chamber, the 43-year-old Altoona barber was electrocuted at 12:32 a. m. and pronounced dead three minutes later.

Musto's only visitor after he entered the death cell Saturday was the Rev. J. J. Burkhardt, Catholic chaplain, who accompanied the quietly praying man to the death chair.

New Members Enrolled In Music Boosters

William Taylor, conducting the March meeting of the School Music Boosters Club in Beaty School auditorium, welcomed a number of new members, parents of students in the choral groups. For their benefit, he outlined the aims and accomplishments of the club and spoke of what is hoped for in the future.

Don Folkman announced a special meeting of the ways and means committee was held Wednesday evening to make plans for the fourth annual "Tag Day" to be held on May 13. Various tasks were assigned members of the following committee: Mr. and Mrs. Don Folkman, Mr. and Mrs. Basil White, Mr. and Mrs. Ralph Sires, Mr. and Mrs. Creed Erickson, Mr. and Mrs. William Taylor, Mr. and Mrs. Harry Thurn, Mr. and Mrs. William Puellhart, Mr. and Mrs. William Glassman, Mr. and Mrs. B. W. Knapp, Mr. and Mrs. Alan Templeton.

Mrs. William Erickson, entertainment chairman, presented Miss Twila Hoover, director, and members of the high school choir in a beautiful program of choral selections. Numbers used were The Chorus Song; The Long Day Closes; the Kashmiri Song, done by an ensemble from the chorus with Miss Hoover at the piano;

O What a Beautiful Morning from the musical comedy "Oklahoma"; two tenor and soprano duets, Ah, Sweet Mystery of Life and You Are My Song of Love, by Hugh Jamieson and Lillian Ristau; Will You Remember? and On the Road to Mandalay. This was the first opportunity of hearing the choir since Miss Hoover took over its training and direction and she and the students were highly commended for their excellent showing.

Olive Archibald Huff explained briefly the proposed community recreation commission to coordinate existing recreational facilities and recited some of the results of a student poll taken at high and Beaty schools.

Harry A. Summers introduced Miss Hoover and paid her a sincere compliment for her accomplishments this season. She spoke briefly of the choral work and requirements.

To conclude, refreshments were served in the cafeteria by Mrs. A. J. Weiler and her committee.

San-Cura is also excellent for minor sores, burns, cuts and skin irritations. (adv.)

T-Coupons Available At Ration Board

The local rationing board has received a supply of second quarter T-coupons. The board has also received instructions to advise you these coupons can not be used before April 1st. They may be issued to you either in person or by mail after that date. It is the board's suggestion that you mail your certificate of war necessity together with your truck registration card for verification. These will be returned to you after they are checked and rations will be mailed so that they will be received around the first of the month.

Mrs. Hetherington will have charge of the second quarter transportation rations and will be located in room No. 407, Warren National Bank Building.

Coach Had Good Look At Bradford Owls

"Bill" Williams, long, lean and lanky assistant coach of Sharon's basketball team, was in Warren Friday. He was on his way to Kane to have a good look at the Bradford Owls who were playing the East Brady team on the Kane floor. Williams was anxious to learn if Whitehead would play on the home team at Sharon Friday night and seemed to be somewhat fearful of Whitehead's prowess as a measure of victory.

"Bill" formerly did a stint of two with the old Hyvis Oil Team back in the days when that combination was taking on all comers and is a basketball player and coach that knows his court game from A to Izzard.

Wacs Rated O. K. at the Proving Grounds

At Aberdeen Proving Grounds, Maryland, Pvt. Adeline Kupczyk and Pvt. Margaret Keating work with the Aero-dynamics range which measures the height of electric sparks. This skilled job is only one of the 239 Army assignments now performed by members of the Women's Army Corps.

"If I were confined to stating one reason why the WACS in my outfit originally joined up, I'd select the reason of 'need,'" WAC Lieutenant Gertrude Lund said recently. Lieutenant Lund, just returned from duty at Allied headquarters in North Africa, provides an excellent example of the feelings of the overseas WACS. "The women felt they were really needed when they joined," she added. "And they soon found out they were right." The WACS in Africa have proved definitely the essential worth of women in war; and their splendid work there has been the basis of multiple requests by commanding officers everywhere for "more WACS!" Ranging from duties as staff car drivers to assignments at Allied headquarters, the WACS, outside of actual combat, run almost the entire gamut of military operations. Working side by side with the men, these women are showing that the new slogan, "Women's Place in War—the Women's Army Corps!" is an actuality.

Police Had Hot Time With Rush of Business on Saturday

Now when a copper goes to work and dons his sidearms and slips his persuader into that little groove on his pant leg and takes up his beat he can never tell whether the tour of duty may turn out a song or a sermon. Thus it was over the weekend when the coppers ran the gamut of mirth and tragedy.

On Friday evening one of the brothers who tolls not nor does he spin was gathered into the fold. He was percolating up and down Liberty street telling a tall story of assailing hunger that was gnawing at his innards when interrupted by the police. They had watched him tap a softhearted man and then tap a tap room and decided to call it a day. He was given a farewell party before Magistrate Greenlund and vamoosed.

And a round-up of a quartette of kids was held. These lads had been making merry at the house owned by Mrs. Zeigler, on Public Way. The lads had entered the home, broke mantles on the gas lights, smashed the globes, tossed chairs into the Allegheny river and dropped a few hot drawers into the water. There were pillows, a new broom, chairs, etc., missing. Parents of the boys met with the police and an adjustment is being arranged.

Several drunks were also gathered in to nap on the slats and they all came before the Magistrate on Sunday with a keen collection of headaches and throbbing brows.

The coppers also had a hunt for a missing girl 11 years of age who went to a theatre with her brother and then forgot to come home. She was finally located at the home of a neighbor where she was staying with some smaller children.

Several folks who had cars parked along the street discovered that they had some bent fenders as the result of folks home-ward bound from a night of revelry guiding their cars in rather a wobbly manner. One of the crashees was arrested and will have to do some paying.

A little dog got in front of a car and had to be gathered up by the police who will turn him over to a disposal company.

Two Buffalo lads who had left their home on a world tour landed in police headquarters Saturday night. The lads were Howard Rummell, 15, 401 Pratt street and Robert Johnson, 15, 215 Cherry street Buffalo. They had ridden a bus from Buffalo to Warren intending to visit friends at Sheffield. The Sheffield folk had moved so the boys came back to Warren. Broke, tired and hungry they tried to hitchhike to Buffalo. However they couldn't find the road leading to their homes so appealed to the police. They were sent home yesterday.

Second Report Meeting of Red Cross Workers Tonight

When the second report meeting of the Red Cross War Fund Campaign is held at the YWCA at 7:30 this evening it is hoped that the adverse weather of today will not slow up the returns too much. County districts, especially, were hard hit by last night's storm and it made the going tough in the borough, too. But reports received at headquarters this morning indicate that considerable progress was made in different parts of the county over the weekend. A donation of \$100 was turned in by the North Warren Civic Club and there will be several other good reports to be made this evening.

Judge Allison D. Wade, general chairman of the War Fund Drive, is anxious to get as many reports tonight as can be audited and reported upon.

But two days will remain, after tonight's meeting, to clean up the hard odds and ends and it is the hope of all connected with the campaign that the goal will be reached at the final meeting which will be held at the YWCA on Wednesday evening of this week. Workers at headquarters still feel confident that Wednesday night will ring down the curtain on another successful Red Cross Campaign. But, they are not overly optimistic as they know there are many workers who still have many calls to make. And, the time is getting short.

Seats for Show Are Reserved At Two Places

All persons planning to attend the North Warren Minstrels, being presented March 28 and 29, are reminded that seats for the event are now being reserved.

The Warren ticket office, located at Stokes Studio, 312 Second avenue, was open this afternoon and will be open Wednesday and Friday afternoons from 1 to 5. Tuesday, Thursday and Saturday afternoons reservations may be made at the North Warren Community house box office.

The committee wishes to emphasize that seats are being reserved for the show-goers, and that all holders of general admission tickets are entitled to exchange them for reserved seat tickets at no extra cost. Those who have not yet obtained their general admission tickets may get them from any member of the cast, or they may simply purchase reserved seat tickets at the Stokes Studio or North Warren community house box office this week at the times stated.

Ninety Brave Cold To Hunt Elusive Fox

Ninety members of the Warren Field and Stream Club braved the cold yesterday for the final fox hunt of the season. Four drives were staged, two in the vicinity of the old creamery on Jackson Run where one grey fox eluded the shooters. He was sly enough to go through the line at a point where visibility was limited and, going too fast for good aim. After these two drives lunch of sandwiches and coffee was served in expert fashion by the Refreshment committee. The hunters then moved to a point near the Siggins farm at Sugar Grove where three more drives were staged, the first one of which produced one large red fox brought down by A. L. Pierce, Russell, Pennsylvania.

The other drives did not produce any fox, but the hunters were pleased that the hunt had not been in vain. In spite of the cold, all enjoyed the day's outing.

The club has in mind the sponsorship of a number of other activities which will be announced when plans have been perfected.

Wreck Tied Up Rail Traffic Last Friday

Traffic over the Renova division of the Pennsylvania railroad was blocked for 12 hours last Friday when 14 cars on an eastbound freight were derailed between Ridgway and Johnsonburg.

According to word received here cause of the derailment was unknown. It was stated that the cars were buckled across the tracks at several points and some completely off but no huge pile-up had occurred.

The freight was termed "re-route" over this division from the main line with L. C. Towner, of Erie as conductor and Frank Stankovitch, of Erie, as engineer. None of the crew was reported hurt.

Further reports indicated approximately 200 feet of tracks were ripped up and additional amount damaged.

Passenger traffic was detoured over the Buffalo division into Oilcan and then to Warren. Passengers and mail for points between Warren and Emporium were handled by bus.

GRANGE NOTES

WARREN GRANGE ST. PATRICK'S PARTY

All officers were present but the pianist for the regular meeting of Warren Grange, Master Walter Taft presiding and one candidate balloted upon after the routine business. Mr. and Mrs. Hartley Johnson, who have moved here, were welcomed on a demit from Valley Grange.

It was announced the next meeting will be at 7:30 p. m. April 12, when all officers are asked to come dressed for initiation ceremonial and the drill for seating officers. Named as a refreshments committee for that evening were Mr. and Mrs. John Haggerty and Mrs. Mabel Dallas.

The St. Patrick's program opened with a song, "When Irish Eyes Are Smiling", followed by a potato guessing contest won by Walter Taft and Ruth Lawrence; song, "How Green You Are"; Origin of the Potato, Dr. C. J. Frantz; additional songs by the group. The St. Patrick's theme was continued in the refreshments served and many remained to play shuffleboard afterward.

BROKENSTRAW MEETING

Worthy Master Ella Culver was in charge of the regular meeting of Brokenstraw Grange, when these three officers were installed:

PAPER SHORTAGE INCREASINGLY CRITICAL
Just by way of reminder to those planning to participate in the waste paper collection Wednesday of this week, it should be emphasized that Warren county is listed among those in the state that are falling short of their quotas.

This information should astonish many readers who have been content to sit back, throw out their chests and boast about some of the enviable records the Salvage Committee has made and the favorable comments received through their efforts.

Read the following telegram received by Governor Edward Martin from Donald M. Nelson, chairman of the War Production Board. After you have finished, clip those articles which you may desire to preserve, then bundle this issue with other papers you have accumulated and have them ready for the collectors Wednesday:

"The shortage of Waste Paper at the paper mills is becoming increasingly critical. The demands of the military for paperboard containers and paper products for shipment of supplies to all battlefronts is growing constantly. This paper shortage not only threatens a regular continuance of these shipments, but seriously affect practically all essential civilian uses of paper. The situation will become worse unless we can increase salvage of waste paper from the present rate of 533,000 tons a month to approximately 667,000 tons. To reach this high figure we must make everyone conscious of this emergency. We must have the active cooperation of every man, woman and child of America. We need a fuller understanding on the problem of collecting and moving promptly to the dealers and to the paper mills all accumulations of waste paper. We particularly need the trucking and manpower facilities in local communities in this respect. The mayors in most communities are giving their wholehearted cooperation to members of the War Production Board and Local Salvage Committees, and are doing a good job. But, because of the critical shortage of Waste Paper, I ask that you request them to redouble their efforts so there can be an early solution to this serious problem."

What promises to be a rare musical treat is scheduled for Tuesday evening at the First Presbyterian church when the PAC musicians, the orchestra and Westminster Choristers will make their first public appearance in a concert. Since the public is invited and many are restricting themselves to this form of entertainment during the Lenten season a large crowd will doubtless be on hand.

There would seem to be close connection between the rapidity with which Hitler's tribulations are mounting and the report in London's diplomatic circles that Roosevelt, Stalin and Churchill may meet again soon.

Anyhow, our Dragon basketball boys succeeded in staying in the playoffs long enough to bring to Warren considerable favorable publicity. They acquitted themselves well, even in defeat, and we're proud of them.

LENTEN SERMONETTE
THE JUST SHALL LIVE BY FAITH
Ernest A. Kaebnick, General Missionary,
American Sunday School Union

Text: Yet I will rejoice in the Lord, I will joy in the God of my salvation.—Bababukuk 3:18.

Over four hundred years ago a German monk named Martin Luther was ascending upon his knees the famous stairway called Pilate's Staircase, in the city of Rome. As he climbed those steps he seemed to hear, as he told it, a voice saying to him, "The just shall live by faith." Rising to his feet, he went forth to proclaim in trumpet tones the central doctrine of the Reformation—justification by faith.

But there were difficult days ahead for Luther and during the darkest days of the Reformation Luther was wont to say to Melancthon, "Come, Philip, let us sing the forty-sixth Psalm: God is our refuge and strength, a very present help in trouble." History records many other difficult and dark days such as we are passing through, in which the courage and faith of Christians was tested and tried. But because they kept the faith and could sing unto the Lord even at midnight, as did Peter and Silas, they triumphantly could say, "Yet I will rejoice in the Lord, I will joy in the God of my salvation." Jesus is the Saviour of mankind and in our time of storm let us constantly remember that He is praying for us. Hebrews 7:25. And as a perfect Saviour, Christ makes all who touch Him with the hand of faith "perfectly whole."

Let us pray for a faith that, renouncing all self-trust and self-importance, clings steadfastly to Christ for power to free from the darkness and misery of an evil world.

"So on I go, not knowing:
I would not, if I might,
I'd rather walk with God in the dark
Than walk alone in the night.
I'd rather walk with Him by faith
Than walk alone by sight."

T-H-O-U-G-H-T-S
I beseech thee, O Lord, remember now how I have walked before thee in truth and with a perfect heart, and have done that which is good in thy sight.—II Kings 20:3.

No pleasure is comparable to the standing upon the vantage ground of truth.—Bacon

YEARS AGO IN WARREN
Interesting Items Taken From The Warren Evening Times

In 1924
Rev. John Lundgren, of the Swedish Congregational church has applied for a passport. He expects to sail about May 1st, for Sweden to spend several months.

CANNIBAL FISH
The piranha, a fish seldom more than a foot in length, is a man-eater. It rips its victim to shreds and can do away with a large body in an incredibly short time. The smell of blood seems to drive the fish mad.

The National Park system of the United States—including recreational areas, monuments and cemeteries as well as parks—now totals 21,613,543 acres.

It is only six minutes by bomber plane from Dover, England, to Calais, nearest port in occupied France.

Post and Auxiliary
Have Anniversary

In observance of the founding of the American Legion 25 years ago, members of Chief Complanter Post No. 135, and the Auxiliary enjoyed a birthday party at the Legion Home Friday evening.

A tureen dinner was served by the auxiliary, with the principal table decorated with a large birthday cake presented to the post by a ladies. Adding to the dinner was group singing led by Mrs. Richard Hansen.

Past Commander Walter Johnson officiated as toastmaster and called many interesting events in connection with the formation of a local post. Birthday congratulations were extended to the Legion by the Auxiliary by Mrs. Elvin Johnson, president, which are acknowledged by Commander John Stone.

A very pleasant evening closed with dancing to music furnished by the McCune's Orchestra.

Candlelight Rite Saturday Unites Patricia McComas-Lt. Willis Lundahl

Palms, ferns and snapdragons in spring shades formed a lovely background Saturday afternoon for the candlelight ceremony read by Dr. H. C. Warren at 3:30 o'clock to unite in marriage Patricia Clare McComas, daughter of Mr. and Mrs. Donald E. McComas, 12 Central avenue, and Lt. Willis C. Lundahl, Army Air Corps, son of Mr. and Mrs. Carl Lundahl, 204 Buchanan street.

Wedding music was played by Jackson Barrell, organist, and Byron Swanson, of Pittsburgh, sang "Because," "I Love You Truly" and "O Promise Me."

The bride was given in marriage by her father and attended by her sisters, Charlotte as maid of honor and Margaret as flower girl. She wore a white frock with satin bodice and full net skirt and her grandmother's net veil which fell from a crown of lace, heirloom from her great-grandmother's wedding dress. Her bride's bouquet was of white roses and calla lilies.

Miss Charlotte wore yellow chiffon with a bandeau of sweet peas in her hair and carried Tailsman roses and lilies. Miss Margaret, in aqua net, had a colonial bouquet.

The bride's mother wore black accessories with teal blue crepe and Mrs. Lundahl wore accessories of white with a fuchsia trimmed ensemble of navy blue. Both had camellia corsages.

Mr. Lundahl was his son's best man and ushers were Robert Reed and William Lord, of Buffalo, N. Y., and Jerald Householder, Grove City, former classmates of the bridegroom at Grove City College.

A reception for 75 relatives and friends followed at the YWCA, where spring flowers and candles were used in pretty appointments. Guests included the following from out of town: Mary Corbett, Charlotte Jones, Marcia Hultberg, New York; Mary Katherine Lyons, Darien, Conn.; Mr. and Mrs. Leo Driscoll, Erie; Mrs. Harold E. Shore, Philadelphia; Seaman Second Class Richard Hill, Great Lakes, Ill.; Mary Deardorff, Buffalo, N. Y.; Mr. and Mrs. H. J. Stohlbros and daughter Elaine, Mr. and Mrs. Conrad Anderson, Elaine Anderson, Marjorie Anderson, Gerald Anderson, Jamestown, N. Y.

After a wedding trip to Buffalo, the couple will go to Albany, Ga., where Lt. Lundahl has been re-assigned for duty at Turner Field. Both are graduates of the local high school, the bride in 1942 and the young officer in 1940. She has been employed at Altman's in New York and he has just graduated and received his commission at Turner Field.

All Invited For Annual Musicales Concert Planned By PAC Musicians At 1st Methodist

All parents and interested friends of the PAC Orchestra and Westminster Choristers are cordially invited to attend the spring concert to be presented by the young musicians at 7:30 p. m. Tuesday in the First Presbyterian church school auditorium.

Directors will be Helen Claire Hulings, John Knapp, Leland Daye and Jackson Barrell, with Richard Kerr, John Knapp, Helen Claire Hulings and Mr. Barrell as accompanists. Acting as ushers will be William Clinger, Tom Hampson, William Hill, James Richards.

Leland Daye, Charles Brown and Allen Woodruff have been in charge of plans for the concert, for which the following program numbers are announced:

I. The Heavens Are Declaring, Beethoven; Lovely Appear from the Redemption, Gounod; chorale, Jehovah, Let Me Now Adore Thee, Freylichhausen—Westminster Choristers.

II. Nocturne and Prelude, composed and played by Rowell Hoff.

III. Awake, Awake, Cadman; Melody of Peace, Carroll Martin—PAC Orchestra.

IV. Cornet duet—William Taylor and John Robertson.

V. O Lord, Most Holy, Francis; My Heart Ever Faithful, Bach. Light of God With Us Shine, Humperdinck—Westminster Choristers.

VI. Clarinet quartet, Minuetto Opus 15, Schmidt Andante, Artot—Virginia Johnson, Beth Smith, Leland Daye, William Fuchhart.

VII. Liebesfreud, Kreisler, Celebrated Minuet from 1st Symphony, Valensin; Famous Waldteufel Waltzes, Roberts; Country Gardens, Zamecnik; A Perfect Day, Bond—PAC Orchestra.

IX. National anthem. Color guards: Randall White, Richard Day, Benny Williams and Charles Joy.

Mrs. Claire Hulings will head the committee to serve refreshments after the concert.

Tureen Dinner Is Enjoyed By Girl Scouting Groups

Youngsville Girls and adults interested in Girl Scouting joined for a tureen dinner Thursday evening in the National Forge clubhouse in Irvine, with approximately one-fourth of the 60 persons adults. Fifteen Brownies and about 30 intermediate and senior Girl Scouts contributed to the program which followed dinner.

The Brownies sang action songs under the leadership of Mrs. W. Wade. Members of Senior Girl Scout troop 23 and Girl Scout Troop 25 gave several sketches and a resume of the work which has been done by Troop 25 during the past year. A flute and clarinet duet was played by members of Troop 25.

Miss Goldia Hill, president of the Youngsville Business and Professional Women's Club; Mrs. F. L. Abendroth, first deputy commissioner of the Warren County Girl Scout Council, and Mrs. A. N. Correll, executive secretary of Warren County Girl Scouts were guests.

Arrangements for the dinner were made by Mrs. Fernand Huber, Girl Scout chairman for Youngsville, assisted by troop committee members and leaders. Table decorations followed the St. Patrick's day theme with The Girl Scout chalet, made by Troop 11 of Warren, the Tree of Friendship made by Troop 41, and a collection of flags of nations of the world made by Troop 12 in featured positions.

Warren Players Will Tryout For Melodrama Roles

Tryouts for Lawrence Riley's new play, "Time to Kill", to be given in May by the Warren Players, will be held at the home of Joan Hoyer, 105 East street, at eight o'clock Thursday evening.

Eight women and three men are needed for the melodrama and tryouts will be in charge of the playwright, who will direct the production on May 11-12.

It is stated that this announcement takes the place of personal invitations sometimes used by a coach in arranging for tryouts and no individual is being given a special invitation by phone.

Since it is hoped the cast may be chosen from those trying out for parts on Thursday night, Mrs. Hoyer, program committee advisor, urges every member of Warren Players interested in a part to be there.

You Women Who Suffer From
HOT FLASHES then
CHILLY FEELINGS

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, nervous irritable feelings, are a bit blue at times—due to the functional middle age period, peculiar to women—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms.

Taken regularly—Pinkham's Compound helps build up resistance against such distress. It also has what Doctors call a stomachic tonic effect! Thousands upon thousands of women—rich and poor alike—have reported benefits. Here's a product that HELPS NATURE and that's the kind to buy. Follow label directions. Well worth trying!

LOUISE FALK TO WED ERIC DOCTOR
Mr. and Mrs. C. Peterson, 208 North Irvine street, have announced the engagement of Louise Falk, R. N., to Dr. William C. F. Smith, 513 East Seventh street, Erie. The betrothal was made known at a former dinner-dance given at the Shrine Club in Erie on February 29. The wedding will take place on May 20.

Miss Falk was graduated from Warren High School with the Class of 1940 and from Hamot Hospital School of Nursing in Erie in 1943.

Dr. Smith attended Penn State pre-medical college and Jefferson School of Medicine in Philadelphia and is a member of Phi Beta Pi Fraternity. He is associated with Dr. James R. Hart, 1201 W. Eighth street, Erie.

DISTRICT NURSES TO HAVE MEETING
The quarterly meeting of District Seven Pennsylvania State Nurses' Association, will be held at Hamot Hospital in Erie on Saturday of this week. Directors will meet in the hospital library at 10 a. m., with luncheon at noon. Sectional meetings are scheduled for one o'clock in the afternoon, with Dr. Mary S. Lucas as guest speaker.

BLUE STOCKINGS
Members of Blue Stockings sh. Members of Blue Stocking Club will be entertained Tuesday afternoon at the new home of Mrs. Allison D. Wade, in the former Philomel Club on Fourth avenue. She will be assisted by her mother, Mrs. Florence Tiltson and Mrs. George Calderwood will be in charge of the study.

FOR PATTY MCCOMAS
A group of about twenty friends, including Warren girls at home for the McComas-Lundahl wedding on Saturday, were entertained at tea and a personal shower from four until six o'clock Friday afternoon by Mrs. Sam Rasmussen and her daughter, Jean, now Mrs. Robert Kluge, of Buffalo, N. Y.

YOUR VICTORY GARDEN

By Robert Geiger
Agriculture Writer

Part II

SUPPLIES of Victory Garden poison sprays probably will be as good in 1944 as they were in 1943 but if you want to whip Victory Garden insects check up on the ancestry of the seeds you plant, before you plant them.

The reason is this: many varieties of vegetables are grown from "disease resistant" stock. This isn't a guarantee that seeds from such stock won't be attacked by disease or insects but it does mean they usually get away to a better growing start and therefore they have more chance to reach maturity.

Consult a reliable seedsman concerning the disease resistant varieties adaptable to the climate of your region. Tell him you want locally adapted, disease resistant varieties and also disease free seeds and plants.

HAVING done this you have done all you can do about the heredity factor of your garden. Next you can assure your plants a healthful environment by preparing the garden soil carefully and cultivating wisely, keeping out all weeds. An ounce of prevention is always better than a cure.

If disease occurs among the plants, or when insects strike, begin your battle against them immediately.

To do this you need a small compressed air spray for administering poison sprays over the leaves of the plant and a duster.

These may be obtained in seed stores, or in community and club gardens.

BECAUSE of the war the supplies of insecticides and other garden chemicals have been short. If disease or insects strike your garden have them identified immediately by a seedsman. Then ask him to recommend the chemicals that may be available in your locality to fight the trouble.

Speed and prompt action is necessary to save an infected or an infested crop.

Dragons Given Worst Beating of Year by Sharon Bengals

Warren Holds Early Lead But Fades Out To Suffer 48 to 27 Loss

Before a throng of three thousand rabid basketball fans, Warren High School dropped its stake in District 10 to Sharon High School in a game played Friday night on Farrell High's gymnasium, losing 48-27.

The local cagers, although taking an early lead, were overshadowed at nearly every point of the game by the mighty Tigers of Mercer county. Forced to the extreme reaches of the center stripe at all times on their offensive and frequently experiencing bad ball handling, the Dragons absorbed wave after wave of the Sharon onslaught in the first period before a well-balanced offensive finally clicked, sending Sharon out in front with an unconquerable lead.

The Dragons had only one short-lived lead in the entire game when Spindike, guard for the Tigers, came through Warren's flimsy defenses and dropped one from the foul line and Dick Finley came back with a foul pointer followed by Jim Eaton's only first half field goal to take a lead that lasted only seconds, as Nemetz and "Ace" Flickinger sparked a drive that netted five more points before Chuck McLean of the locals could do anything more in favor.

Fred Beyer slashed the nets from the center stripe to bring Warren within two points of the advancing Sharon team, but Butchko, of the Tigers, slipped through for a lay-up and Flickinger made good on a set shot followed by Whitehead's foul counter to give Sharon a 12-7 advantage at the first period marker.

The Dragons went into a shooting famine in the early minutes of the second stanza and it was five minutes into the session before a change was made on the local cards while the Steelmen hit a rapid upward swing behind Flickinger and Butchko to garner 10 points to Warren's lone bucket by Dick Finley on a side court shot, bringing in a half-time score of 22 to 9, Sharon in favor.

Although the District 10 titlists held a decided edge on Kolpien's charges, it was their third period spurt of point making that erased any doubt of what the outcome would be as every man on the enemy team tallied for a total of 15 points to Warren's 6.

Again it was Flickinger, operating his interchangeable dribble to best advantage, early slipping through Warren's flimsy defense for either a basket or an assist as every man on the local team took him at one time or another and failed to stop him. Rolling up 8 points by himself, more than enough to handle the Dragons offering, he was amply supported by Butchko's two tip-in shots to keep the game out of reach of a possible locally rally.

Although the locals began to find ways of filtering the strong zone defense in this quarter, they were at a loss to stop a determined Sharon offense and were handicapped to a great extent by a four-foul limit which by then

threatened to evict every man on the Warren starting five.

A sudden turn took place in the last period race which featured the second teams slowly coming into the game as the foul penalty hit hard in both fives. Behind the accurate shooting of Chuck McLean, Warren rolled up 12 points as the stage fright that gripped them at the offset of the contest wore off and reversed them into their first good showing of the entire tilt, and they took over to outscore the Sharon combine 12 to 11, with most of the winner's points coming late in the period.

Scalise, Eaton, Hammerbeck and a foul counter from each Meneo and Finley pulled the Dragons out of their slump and made them look like a basketball team for the first time. The injection of Bob Hammerbeck seemed to bring them to life and only foul counters kept Sharon from a let-down in point-making, plus substitute Elnhot, of the Sharon courtiers breaking through for two baskets near the final whistle and a lay-up by Butchko, as Warren marked five field goals to their three.

There was no doubt but what the Dragons had met the Sharon challenge with too little class to cope with a string of veterans that had rolled unopposed through 19 straight victories but it is interesting to note what a change could have been made in the score if the Dragons' foul shooting had been anywhere near normal.

Against Sharon's 12 out of 16 from the free stripe, Warren could only offer three out of 15, a difference that could have made the score a little closer but offered little help to the few fans who followed them to see a thorough and distinct shellacking administered them.

Sharon meets Westinghouse of District 7 in their next game to be played at Farrell Tuesday night.

Tubers Play Franklin In Game Tonight

Tonight two more games will be played on the YMCA floor, as the CPT team of Franklin, takes on the Sylvania Tube Co., of Emporium in the carnival of basketball which has been under way for two weeks now and is rapidly eliminating most of the teams all in for the championship of this district.

The second game will be the initial appearance of the Warren High School seniors, which includes members of the Section 2 championship outfit of Pennsylvania, with Dick Finley, Chuck McLean, Jim Eaton, Fred Beyer and some others to tackle the strong and undefeated Corry All-Stars, which has victories over both the Struthers-Wells teams and O'Connors of Sheffield on its string this season.

The first game will start at 8:00 p. m. and the second will get under way at 9:00 p. m.

Three Games Scheduled For Tuesday Night in P. I. A. A. New Record is Set By Yale Swimmer

By the Associated Press

Three games tomorrow night will whittle to eight the number of high schools still in the running for the basketball championship of the Pennsylvania Interscholastic Athletic Association.

Only one district champion has been dropped from PIAA competition—Chambersburg, eased out 31-30 in the last 10 seconds of District 1's Lower Merion, defending state titlist, at Reading Saturday night.

Phil Hamman, veteran of 16 tournament games in the past three seasons, set up the goal that tied and sank the free throw that gave Lower Merion the victory over the District 3 representatives. The two schools that established district supremacy Saturday

night, Hazleton and Swoyerville, hold first round byes. They meet Friday, probably at Hershey, in the eastern semi-final.

Hazleton romped to a 50-29 victory over Palmerton for the District 11 crown while Swoyerville rebuffed Berwick 29-27 in District 2.

Tomorrow night's games: Pittsburgh Westinghouse (District 8) vs. Sharon (District 10) at Farrell, winner to play Bradford (District 9) in western semi-final Saturday.

Boswell (District 5) vs. Franklin Borough (District 6) at Johnstown, winner to play Duquesne (District 7) Saturday.
Sayre (District 4) vs. Dalton (District 12) at Mansfield, winner to play Lower Merion Saturday.

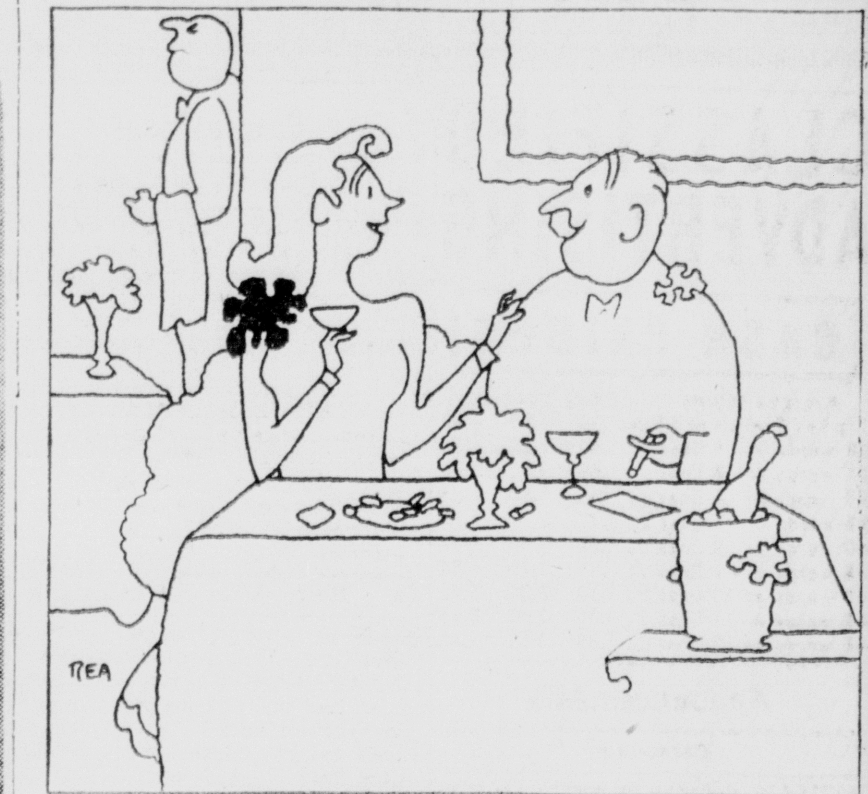

New Record is Set By Yale Swimmer

New Haven, Conn., March 20.—(P.)—Bob Kipthuth, Yale and Olympic coach, snapped the jigger closing his stopwatch as Alan Ford, his great swimmer, ended a 100-yard free style sprint. Usually calm, the stocky Kipthuth's eyes

popped at what he saw. Nervously, he slid into the background while the official timers went into a huddle.

Neither he, nor Ford, the 20-year-old rusty-haired Balboa, Can-al Zone, bullet had to wait long. Ginning, but plainly excited, the announcer reported that Alan had lowered his own world's century record to 0:49.7 seconds.

Army Player Leads Fields at Charlotte

Charlotte, N. C., March 20.—(P.)

A cold, steady rain put a new face on the \$10,000 Charlotte open golf tournament, presently in charge of Sgt. Ernest Joseph "Dutch" Harrison of the Army Air Forces.

Harrison, a 20 to 1 shot, batted out scorching rounds of 68, lowest

of the tournament, and 70 to lead the field after 36 holes with 130. Yesterday it came up muddling the slender Arkansas chances of being the first member of the Armed Forces to capture a major golf prize and forcing postponement of the 36-hole final. The tournament committee decided to halve the 36-hole into 18 holes today and 18 tomorrow, the weather permitting, since the pros have no other engagement before the Durham opening starting Friday.

Though a win for Dutch would be tremendously popular, he prefers a fast dry course and the old layers are still picking Jug M. Spaden and Byron Nelson as favorites for first prize, a \$2,000 W. Bond.

Ankara, March 20.—(P)—A report that the Germans are occupying Hungary "appears confirmed," the Bucharest correspondent of Anadolu Ajans said today.

Algiers, March 20.—(P)—Reps. Baldwin (R-N.Y.) and Vorys (R-Ohio) arrived here today for an "unofficial" survey, particularly in connection with American relations with the French. They expect to remain about a week.

Three United States patrol boats, daringly penetrating the Ligurian Sea off the northwestern Italian coast, sank a lighter in an attack on a convoy of two lighters and two E-boats. Another enemy E-boat was sunk by American patrol boats west of Anzio.

Other German strong points as sailed by Allied forces at Cassino, including a ducal palace on the south side of highway 6—the road to Rome—which runs south of Cassino and the ancient Roman amphitheatre, north of the road.

The Germans recaptured Hill 165, a bitterly-contested height which has changed hands several times since the Allied onslaught against Cassino began in earnest last Wednesday. Allied troops had retaken the hill Friday after being flung from it by vicious enemy counter-attacks the previous day.

Reich Losses Mounting in Air Offensive

strong punches landed on Germany and occupied territory Saturday and Sunday by American and British heavy bombers swinging in from both Italy and Britain.

Available figures indicated that possibly 300 German fighters were cut from Hitler's waning air strength in the Saturday and Sunday attacks.

A total of 479 enemy aircraft had been shot down or destroyed during the week beginning last Monday in Allied operations from both Britain and Italy.

As these operations continued, the London Daily Mail said American four-engined bombers, flying the Atlantic within 10 days after leaving the assembly line, were pouring in at a rate "far outstripping any losses that may be incurred in any raid."

Vegetable Gardeners To Get Advice

Vegetable gardening is again to the fore over the county and the Victory Gardeners are preparing to shoulder a hoe and get busy. To that end they are being given some expert advice on how to plant etc., and a meeting will be held at the Court House tomorrow evening at 8 o'clock at which G. J. Stout, expert on vegetable gardening will speak. He is holding a meeting in the Grange Hall at Youngsville this evening at 8 o'clock.

It is asked that there be no let down in the gardening efforts of the populace during this coming summer as the need for good crops is imperative again this year. From all indications the demands by the army next fall will be greater than it was last year. The schedule of meetings to be held by the State College expert in connection with the local Farm Extension Bureau is as follows:

Monday, March 20
8:00 p. m.—Youngsville Grange Hall.

Tuesday, March 21
10:30 a. m.—Akeley Grange Hall.
2:00 p. m.—Garland School Building.
8:00 p. m.—Court House in Warren.

Wednesday, March 22
10:30 a. m.—Corydon School Building.
2:30 p. m.—Chandlers Valley Grange Hall.

The meetings are all open to the public and any questions that have been bothering gardeners will be answered. All are asked to come armed with plenty of questions.

Youngsville Boy Reported Missing

Youngsville, March 20.—Mr. and Mrs. Harry Carlson, of Highland avenue, have received a message from the U. S. Merchant Marine saying that their only son, Norman, aged 19, is missing in action since March 8th. He is well known about the town and served only one year with the Merchant Marine and in that time has made a number of voyages into the war sectors. During the past few months he has spent one short leave at home.

The message received stated that as soon as any additional word was received that it would be communicated to the parents. Mr. and Mrs. Carlson are greatly worried but are hopeful that the young seaman may be rescued.

Story Teller Is Given Compliment

Mrs. Gerald Archibald, the Warren Public Library's story-teller, received this past week a letter from Miss Alice Kelly, associate director of the Carnegie Library School in Pittsburgh, in which the latter expressed herself as being "much impressed" with reports of the local community story hour for children.

She sent her congratulations along with those of Miss Nell, who was Mrs. Archibald's instructor in story-telling. Both of the professors expressed that it would be possible for them to come to Warren to see for themselves the unusual story-hour attendance, which has averaged over 300 since the series started.

The fourth community story hour will be held this coming Thursday afternoon at four o'clock. All boys and girls from the first to the sixth grades will be welcome.

CONEWANGO CLUB
The Culbertson-Plummer combine ran afoul of the fast-stepping Creals Friday night and had to rally in the third game to earn an even split. The tie let the Branch's go into a deadlock with the Culbertsons for the league lead.

"Toe" Milenius' 559 was tops for the Culbertson-Plummer crew, and "Bony" Keller, subbing for Doc Elliot, came through with 539 to help the cause along, while Doc Anderson contributed 505 and a 220 game.

Harry Conarro put together 203, 205, and 182 for a 590 total to take charge of the high series of the evening, and Captain Creal and Doc Schuler had 511 and 2575 to back him up.

NEW PRO GRIDIRON PENN CENTER PLANS LEAGUE IS PLANNED SPRING TOURNAMENT

Pittsburgh, March 20.—(AP)—Ruland D. Payne, Pittsburgh businessman, announced he expected 10 cities to be represented at a preliminary meeting here April 2 to effect organization of a coast-to-coast professional football league.

The league would not operate until 1945, Payne said. Plans call for teams in New York, Baltimore, Boston, Buffalo, Washington, San Francisco, Los Angeles, Seattle, St. Louis and Cincinnati.

Three of the cities already have teams in the National Football League—New York, Washington and Boston.

New York City's Chrysler building has 20 elevators, which carry 34,000 passengers daily.

Bulletins are being mailed to bowling alleys in this vicinity announcing Penn Center's singles and doubles tournament to be started April 15th and continue four weekends until May 1.

This is the first tournament for Penn Alleys and all indications point to a large entry list.

Harry Wooster, manager of the alleys, will be tournament manager. M. L. Johnson, City Bowling Association secretary, will be tournament secretary and H. R. Bittenbender, treasurer. Entries must be in before April 10.

Every enlisted man in the United States Navy has 13 buttons on his trousers, one for each of the 13 original colonies.
